

Agriculture

Powerful programs, both print and dynamically online, inspire student connections, explorations, and achievement.

Outcomes-focused Solutions

Our solutions—driven by innovative technology and authoritative content—center on outcomes that empower, engage, and help your learners achieve success in the classroom and beyond.

Our digital and textbook resources fully support:

- 21st Century Skills development
- College and Career Readiness
- Agriculture, Food & Natural Resources Career Cluster pathways
- FFA curriculum and activities

Digital Resources

Choose the digital resources that fit your course needs

MindTap

- A cloud-based, highly personalized, learning environment
- Combines student learning tools—simulations, readings, multimedia, activities, and assessments—into a single Learning Path
- Teachers easily customize learning tools for their students, seamlessly introducing their own content
- Powerful class reports and analytics help teachers save time, measure progress, and improve outcomes
- Students can access a free phone app to access the eBook and study tools online or off

Vitalsource™

Students have access anytime on almost any device with this downloadable eBook

Instructor Resources

Our online Instructor Resources are filled with tools to help plan effective and engaging lessons. Instructor Resources may include test banks and engines, presentations, teacher manuals, figure files, and more!

AGRIBUSINESS

MindTap | *Learners to Thinkers*

MindTap—Teaching, your way.

Personalize your course with ease.

Easily add your own content—recent news updates, videos, weblinks, documents and more—right into the student’s reading or Learning Path. Move chapters or hide them. Control what students see and when they see it.

Promote better student outcomes.

Enhance your teaching with easy-to-access analytics and reports on student progress and engagement. Make real-time adjustments. See the results.

Teach Differently.

Spend less time grading, allowing for more strategic teaching. Strengthen college readiness. Build 21st Century Skills. Simply...teach differently through MindTap.

MindTap—Whats New?

Here are the latest free enhancements to MindTap users!

MindTap Mobile App with eBook!—Students can download the MindTap app on any iOS or Android device, sign in, and get started!

Wherever students are...

- The **MINDTAP READER**, a full eBook accessible online or offline, allows students to read or listen to the book being read anywhere, anytime
- Readymade and editable **FLASHCARDS** enhance vocabulary and concept understanding
- **STUDY GAMES** and **QUIZZING** engage students and encourage recall of key ideas and vocabulary
- **DUE DATE REMINDERS** and **PUSH NOTIFICATIONS** from the teacher keep students on track with their tasks
