

## ON-DEMAND TRAINING MODULES FOR *EDGE*

### DESCRIPTION

A series of on-demand training modules to support program implementation with *Edge* that are available anytime, anywhere you have internet access.

### AUDIENCE

Teachers, Literacy Coaches, Curriculum Specialists, and Administrators that use *Edge*

### DURATION

Each module is less than 60 minutes

### MATERIALS NEEDED

*Edge* Teaching Materials  
A Computer with Speakers  
High-Speed Internet Access

These training modules are perfect for:

- Districts that prefer an online delivery method for training sessions
- Educators that need a refresher about *Edge* during the school year
- Educators that might have missed a live, on-site *Edge* training session

The *Edge* On-Demand Training Modules are easy to access – just log-on to *The Teaching Edge* website at [www.hbedge.net](http://www.hbedge.net) and click on Professional Development.
