# Fabulous Faces

People from all over the world paint their faces. This Native American girl paints her face to show she's proud of her community and traditions.

Others paint their faces to make people feel scared. The man from India has a scary, green face.

People paint their faces for fun, too. When some fans go to watch sports, they paint their faces.

In some places, people paint children's faces at parties. The children like to have pictures of flowers or animals on their faces.

North America

**12 Work with a partner.** Talk about face painting.

What do you want on your face?

I want a butterfly.

People can make more than 10,000 different expressions with their faces.
