

ON-DEMAND TRAINING MODULES FOR *INSIDE*

DESCRIPTION

A series of on-demand training modules to support program implementation with *Inside* that are available anytime, anywhere you have internet access.

AUDIENCE

Teachers, Literacy Coaches, Curriculum Specialists, and Administrators that use *Inside*

DURATION

Each module is less than 60 minutes

MATERIALS NEEDED

Inside Teaching Materials
A Computer with Speakers
High-Speed Internet Access

These training modules are perfect for:

- Districts that prefer an online delivery method for training sessions
- Educators that need a refresher about *Inside* during the school year
- Educators that might have missed a live, on-site *Inside* training session

The *Inside* On-Demand Training Modules are easy to access – just log-on to the *Inside Teaching* website at www.insideng.com and click on Professional Development.
