

ON-DEMAND TRAINING MODULES FOR *NATIONAL GEOGRAPHIC SCIENCE*

DESCRIPTION

A series of on-demand training modules to support program implementation with *NG Science* that are available anytime, anywhere you have internet access.

AUDIENCE

Teachers, Curriculum Specialists, and Administrators that use *NG Science*

DURATION

Each module is less than 60 minutes

MATERIALS NEEDED

NG Science Teaching Materials
A Computer with Speakers
High-Speed Internet Access

These training modules are perfect for:

- Districts that prefer an online delivery method for training sessions
- Educators that need a refresher about *NG Science* during the school year
- Educators that might have missed a live, on-site *NG Science* training session

The *NG Science* On-Demand Training Modules are easy to access – just log-on to the *NG Science* Teaching website at www.myNGconnect.com and click on Professional Development.
