Grades 9–12

The Foundations of Adolescent Literacy

Course Objectives

- Identify the challenges adolescents face in literacy instruction and how motivation and engagement lead to academic success
- Experience research-based strategies to build academic vocabulary across all subject areas
- Practice specialized strategies to explicitly teach reading comprehension strategies to promote transfer across the curriculum
- Learn how to create a classroom environment that fosters active participation to promote student engagement
- Learn how to connect reading and writing to students' lives and their out-of-school literacies

Customized to meet district needs!
