	Skills Chart	vii
	Preface	x
	Introduction	xiii
	Acknowledgments	xvi
UNIT 1	Language and Culture	1
Chapter 1	Learning a Second Language	2
	<i>It is not always easy to learn a second language, but there are some ways to make learning one a little easier.</i>	
Chapter 2	The Best Place to Live	17
	<i>What is the best place to live? Most Americans are happy in their hometown. However, some people want to move to a different place.</i>	
UNIT 2	Home and Family	35
Chapter 3	The McCaugheys: An Unusual Family	36
	<i>Bobbi and Ken McCaughey have a very large family. They have septuplets—seven children born together—and an older child, too!</i>	
Chapter 4	A Musical Family	49
	<i>This family moved away from the city to start a new life. Now the parents and their children play musical instruments together instead of video games.</i>	
UNIT 3	Exercise and Fitness	63
Chapter 5	The Importance of Exercise for Children	64
	<i>Children need a lot of exercise. It is very important for their health. However, in some schools, children do not get exercise every day.</i>	
Chapter 6	The New York City Marathon: A World Race	78
	<i>The New York City Marathon is very popular. People come from many different countries all around the world to run together.</i>	

UNIT 4	Remarkable Researchers	93
Chapter 7	Margaret Mead: The World Was Her Home <i>This famous anthropologist loved to learn about different cultures. She also wrote books so that other people could learn about them, too.</i>	94
Chapter 8	Louis Pasteur: A Modern-Day Scientist <i>This important scientist made many discoveries to help people stay healthy. These important discoveries are still useful and necessary today.</i>	107
UNIT 5	Science and History	123
Chapter 9	The Origin of the Moon <i>People have many questions about the moon, for example, "Where did it come from?" Scientists have some theories to help answer these questions.</i>	124
Chapter 10	A New Route across the Top of the World <i>The Northeast Passage, which connects the Atlantic Ocean and the Pacific Ocean, is not covered in ice all year anymore. Now ships can travel between Europe and Asia much more quickly.</i>	139
UNIT 6	Future Technology Today	155
Chapter 11	Saving Lives with Weather Forecasting <i>Tornadoes can be very dangerous. New kinds of weather technology can help predict when a tornado will occur. This can help save lives, too.</i>	156
Chapter 12	Clues and Criminal Investigation <i>Crime experts look for different kinds of evidence at a crime scene. These clues help them to find criminals and to solve crimes.</i>	172
	Index of Key Words and Phrases	189
	Skills Index	191
