Make This Summer a Season of Student Growth!

Summer school can be an engaging and motivating time for all students. With our high interest and accessible standards-based content, summer school can be the season of student achievement.

Accelerate Student Learning in Summer Programs that:

- Make content come to life
- Are considerate of the learner
- Provide learning in “manageable chunks”
- Present new material in highly visual formats
- Stimulates thinking

Summer Solutions to School-Year Challenges:

- Common Core Coverage
- Conserves teacher planning time
- Engaging and motivating
- Easy-to-manage
- Standards based
- Flexible pricing
- Pre- and post-tests

Flexible options—Use for after school, Saturday academies, or for Title I funds.

Sp Spanish-language books available

National Geographic Ladders

Grades 3-5

Experience the Laddered Approach to Leveled Readers

- National Geographic experience for Grades 3-5
- Informational text through high interest content
- Dual Language Connection in English and Spanish
- Common Core Standards support

Print and Digital

- Each title is available at multiple reading levels in English—each with the same great National Geographic content and images. On level books in Spanish may be added to meet dual language needs.
- On level eBooks can be downloaded onto your desktop or mobile device and are available in English and Spanish.

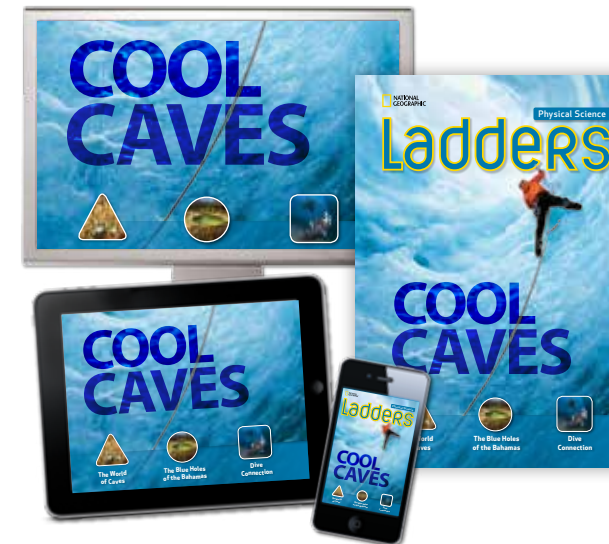

National Geographic Ladders Common Core Readers

National Geographic Ladders family website
NGL.Cengage.com/Ladders

All 96 Ladders titles share the same key benefits:

- **Meet Classroom Differentiation Needs**
Same content and visuals at multiple reading levels
- **Focus Student Attention**
Beautiful National Geographic images, graphics, and content
- **Create a Fun Learning Environment**
High interest, student-focused topics in science and social studies
- **Support Teacher Instruction**
Teacher's Guides cover standards, background, activities, and assessment
- **Provide complete Common Core State Standards coverage for Literature, Informational Text Reading, and Informational Text Writing**

National Geographic Science

Grades K-5

Leveled science readers

Build content literacy with independent readers that connect to elementary science content.

- Learn more
- Take a tour
- Watch a video
- Download a brochure

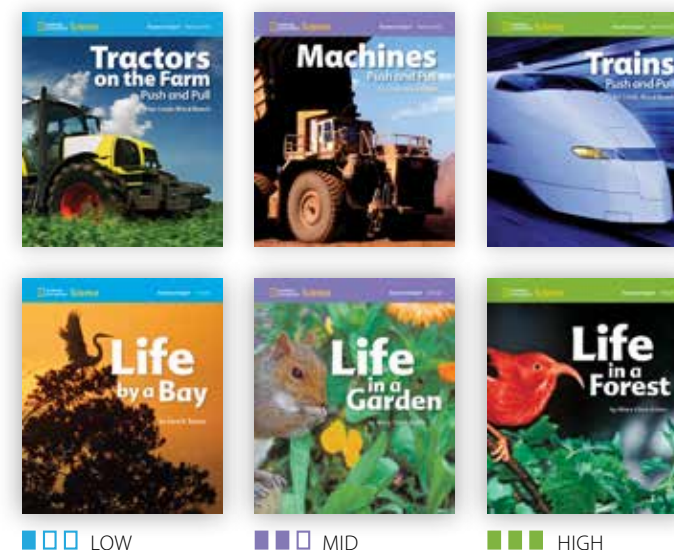

K-2 features three topic books for each content theme with leveled reading to build confidence and competence as students expand knowledge of the world around them.

At 3-5, the Explore on Your Own books provide an opportunity for group or independent reading. These books use the same concept at two different reading levels to motivate all students to read independently.

Become an Expert Books

Grades K-2

- Match student ability levels with topical books at three reading/difficulty levels.
- Form student expert teams to delve deeper into the unit's "Big Ideas."

Explore on Your Own Books

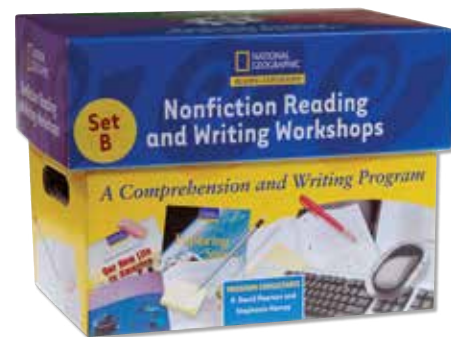

Grades K-2

- Enhance the topical exploration with leveled books.
- Offer the flexibility to extend learning in the science time block or to provide connected independent reading in the language arts block.

Nonfiction Reading and Writing Workshops

Grades 3–8

Equip students with the tools to become strategic readers and effective writers

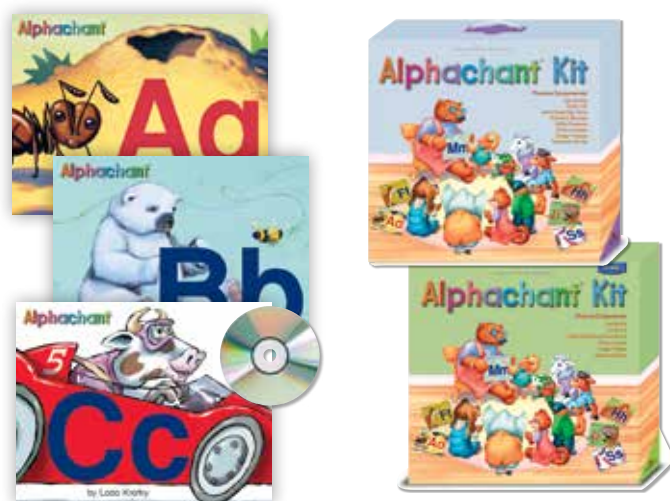

- Teach research-based reading comprehension strategies and expository writing
- Differentiate instruction to support a range of student abilities
- Incorporate the Writing Process and 6-Traits of Writing

Learn more

Alphachant Phonics

Grades PreK–K

Spark phonemic awareness for PreK and Kindergarten

- Lap Books and CD
- Phonics Picture Cards
- Finger Puppets
- Practice masters
- Let's Read Big Book
- Teacher's Guide

Colección Ventanas

Grades K–6

National Geographic Learning is proud to introduce a new collection of authentic Spanish fiction for K–6 classrooms. These award-winning original titles may be used in language arts or bilingual classrooms as well as in summer school and after-school programs.

The National Geographic Learning Colección Ventanas represents:

- 104 titles from authors from many Ibero-American countries
- Authentic, rich language including academic vocabulary
- Opportunities for young readers to engage with stories and their characters while improving language, reading skills, and cultural development
- Connections to all content areas
- Exceptional, high quality writing
- Free, online lesson plans for each title
- Classroom sets for K–1 and Grades 2–6

Alegría

Grades K–6

Experience the joy of Alegría

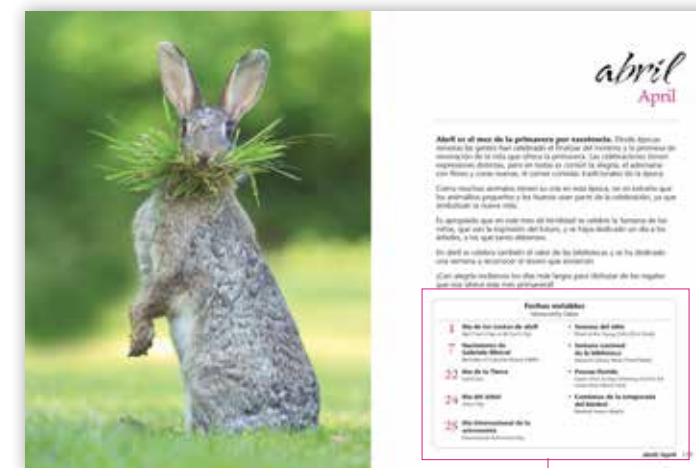

- Alegría is a K–6 Spanish poetry program. Explore family heritage, tradition, language, and culture through poetry.
- 372 poems can be used daily or to fit classroom themes and lessons
- K–6 program includes easy to use, flexible teacher's manual, featuring poems, teacher support, and National Geographic photos.

Inside the Teacher's Manual...

Seasonal and monthly openers are followed by daily poetry.

Daily poems support:

- Calendar time
- Thematic units
- Shared reading
- Supporting basic concepts

Online Resources:

- Audio of poems and songs
- Printable versions of each poem
- Additional activities
- Indexes for activities, themes, genres, etc.

Alegría Spanish Poetry is perfect for:

- Bilingual dual language and Spanish language arts classrooms
- Spanish as a second language classrooms

In the U.S.A.

Grades 2-5

Essential language and literacy skills for Newcomers

- Develop language, survival vocabulary, and the basic building blocks of literacy for newly arrived and preliterate students
- Literature Big Books
- Vocabulary Picture Cards
- Sound Spelling Cards
- Write-on Wipe-off Boards
- Teacher's Edition
- Assessment Handbook
- Integrated Technology Resources

Inside the U.S.A.

Grades 6-8

Engage and equip adolescent newcomers

- Highly visual and accessible student materials
- Focused and connected instruction
- Specialized strategies for language development
- Explicit teaching with built-in assessment

Reading Explorer

Grades 9-12

Reading Explorer is a six-level, content-based reading series featuring video from National Geographic to help develop reading and vocabulary skills for all learners. Each unit of *Reading Explorer* contains two reading passages and an optional video activity. Reading passages cover a wide range of real-world topics related to culture, science, social studies, travels and adventure.

- Motivating real-world content supported by stunning visuals help develop learners' understanding of the world.
- Reading passages develop visual literacy and incorporate graphic organizers to help learners become better readers of English.
- "Reading Comprehension" activities cover essential reading skills and question types commonly found on standardized tests.
- "Vocabulary Practice" activities and "Vocabulary Builder" boxes present and reinforce high-frequency vocabulary items.

Grammar Explorer

Grades 9-12

Prepare your students for success with captivating National Geographic content and assignments that mirror the requirements of academic life! *Grammar Explorer* goes beyond grammar charts and instruction, challenging students to think critically while applying what they learn in their listening, speaking, reading, and writing.

- Manageable lessons help ensure students' mastery of the grammar they'll learn.
- Students use a systematic approach to explore, learn, practice, and apply their new language.
- "Connect the Grammar to Writing" develops writing skills and prepares students for academic paragraph and essay writing.

Edge Language and Grammar Lab

3	•	850L–1075L	6–7	6–8

21st Century Reading

Grades 9–12

Creative Thinking and Reading with TED Talks

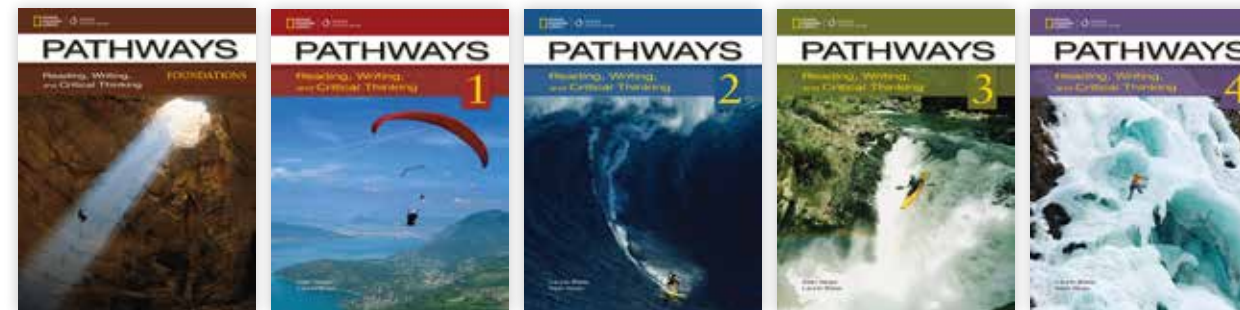

21st Century Reading provides English Language Learners a perfect forum for making connections with topics ranging from science to business to global issues. This new four-level reading series was created in partnership with TED, a nonprofit dedicated to spreading ideas through short, powerful talks. What can our first reading series created with TED Talks do for your learners?

- TED Talks feature inspirational thinkers and doers sharing extraordinary stories that ignite curiosity and introduce learners to world-changing ideas
- TED Talks provide learners with models of authentic English—delivered by experts in their respective fields—that are real and relevant to students and their academic studies

Pathways: Reading, Writing and Critical Thinking

Grades 9–12

Students build and develop academic literacy skills as they connect to the real world through content from National Geographic!

The pathway to academic success!

Pathways is National Geographic Learning's reading and writing skills series that helps learners develop the language skills needed to achieve academic success. Learners develop academic literacy skills through content, images, and video from National Geographic. This innovative series provides learners with a pathway to success!
