

Exploring Science

Online Resources Guide

Grades K-6

Homepage

Login at NGLSync.Cengage.com using the Username and Password provided from the website. Once logged in, you will arrive directly onto a homepage like the one shown.

Click on the Home icon at the upper left at any time to return to the homepage.

From the homepage, click the "Library" tab for alternate access to the eBook and resources.

View the student eBook by clicking one of the four units; Nature of Science, Earth, Life, Physical.

Library

In the Library, click on any of the eBook or resource thumbnails to go directly to that content. Use the scroll bar to see all Library resources.

eBook

Click on a speaker icon for audio playback of the text.

Click on highlighted vocabulary words for pop-up definitions.

Navigate through the eBook using the arrows on the left or right.

Click this icon for full screen.

Click on "Wrap It Up!" for assessment questions and activities.

Click on "Resources" in the upper right corner to access all student resources at the lesson and chapter level. Resources include supporting documents, videos, animations, and Virtual Labs.
