Social Studies Programs for New Mexico

[NGL.Cengage.com/NewMexico](https://www.ngl.cengage.com/NewMexico)

Dear New Mexico Educator,

National Geographic Learning, a part of Cengage Learning, is pleased to present the following catalog of social studies titles for the New Mexico Social Studies adoption. This catalog features a wide variety of learning solutions designed to fit your curriculum in all areas of social studies.

Please contact us for all of your state-specific adoption information, including:

- Product details
- Correlation guides
- Book tours
- Ancillaries
- Training webinars
- Tabbing guides

National Geographic Learning is as committed to helping your students succeed in the classroom as you are. Our diverse selection of both student and teacher learning solutions feature up-to-date content combined with the latest technology.

We appreciate that you have many choices when selecting a solutions provider and we thank you for giving us the opportunity to serve you. We cherish this partnership and we look forward to working with you in the future.

Please contact us, your National Geographic Learning Sales Consultants, directly for more information or call our Customer Service department at 888-915-3276.

Cacioppo · Freberg | 2nd Edition © 2016

978-13050-88375

- Presents psychology as a unified science that seeks a complete understanding of the human mind, rather than as a loosely organized set of autonomous subspecialties
- Psychology as a Hub Science broadens the discussion of a topic to include ways in which psychology is engaged in cooperative science with other disciplines
- Explores seven integrative perspectives (biological, evolutionary, cognitive, developmental, social/social neuroscientific, personality/individual differences, and clinical).

Hardcover, 944 pages
