

# Our World/Explore Our World Mobile App

## Download Instructions

### Step 1:

Search for the app for your program in your preferred app store using one of these terms:

- [Our World NGL](#)
- [Explore Our World NGL](#)

OR use the following links:

- [Our World](#)                      iOS | Android
- [Explore Our World](#)            iOS | Android

### Step 2:

Open the app, enter the username for your *Our World/Explore Our World* level in the login screen, and click GO:

Your username is the same as for myNGconnect, found on the inside front cover of your *Our World/Explore Our World* Student Book.

**PLEASE NOTE:** *Unique myNGconnect usernames are not compatible with the app.* Please only enter the username you find printed in your Student Book.

### Step 3:

Indicate if you would like to download your Student Book and Workbook audio with the level games and activities, then choose OK:

You can also add and delete the audio files later within the app.

### Step 4:

Your level will then download:

### Step 5:

You're in!

Swipe left and right to see each Unit area:

Then choose one to access the games:

Click on the top left Audio icon for Student Book and Workbook Audio:

To add another level of content, choose the Dropdown at the top:

For a short video to help you navigate the app and play the games and audio, choose the HELP icon on the top right:
