

### VOCABULARY 3

James uses the word *get* a lot. Match the phrases using the word *get* to their meaning.

receive	And it managed to <i>get through</i> my spam filter.
penetrate	A few years ago, I <i>got</i> one of those spam emails.
become out of control	<i>Get yourself</i> a pseudonymous (false name) email address.
obtain	And that was so much fun, right, that it <i>got me thinking</i> .
move to action	It was <i>getting a bit out of hand</i> .
