Hi Claudine,

I'm on holiday with my parents in Washington DC, the capital of the USA. What is the weather like at home in Oxford, England now? It's very windy here, but it doesn't stop us visiting lots of famous sites.

It's a big city, with an underground system that makes it easy to get around. Our hotel is not far from the White House, which we visited yesterday. We also went to the Lincoln Memorial and the National Postal Museum, which was not as boring as it sounds! The best place we visited was Union Station. It's brilliant!

We're going to go to the Smithsonian National Space and Air Museum tomorrow and plan to go to the Natural History Museum.

### Bill

I'm Bill. I'm 13 years old and I'm from Greece. It's very hot here in the summer, so I love going swimming and water-skiing. When I water-ski, I have to wear a wetsuit and a life jacket. My uncle drives the boat and my dad watches from the boat to see that I'm safe. Water-skiing is my favourite thing to do. We go water-skiing every weekend and I go swimming every day.

### Nina

My name's Nina and I'm 12 years old. I'm from England and my favourite thing to do is cook for my family and friends. My mother showed me how to make salads, to cook chicken, rice and sausages, and to make sandwiches. I can make cakes and biscuits, too, which all my family like. They say I make the best ice cream in the world. Maybe I can be a chef when I grow up.
