

National Geographic American Government

1st Edition, ©2022

National Geographic Learning

Student Edition: 9780357109038

National Geographic American Government, brings a fresh, current approach to the teaching of how our nation is governed and the important role our citizens play in shaping policies and legislative direction. The actions and decisions made at all levels of government effect every individual in our country.

First Edition Features:

- **Present-Day and Topical Content:** Core content including 2020 SCOTUS rulings, COVID-related policies, and the 2018 and 2020 elections.
- **National Geographic Magazine Features** include excerpts from National Geographic articles relating to the core concepts in the book, as well as the full articles available in MindTap.
- **Supreme Court Cases** throughout the book, examining important rulings as they relate to the core concepts in the book, and the impact such rulings had on U.S. policies and people.
- **Robust assessment:** Including both formative and summative assessment with chapter-level study guides, vocabulary activities, Supreme Court Cases activities, primary source activities, inquiry-based projects, and ELA/ELD activities, as well as chapter-level tests.
- **Teacher's Guide** provides chapter- and lesson-level instructional support.

Enhanced with MindTap

- Featuring lesson-level “Historical Thinking” questions
- Critical Thinking Simulations place students in real life situations
- Assignable and gradable for teachers
