Before the assignments… before the tests… before the diploma… comes the foundation of learning: engagement. Like you, our passion is to engage the minds of your students and challenge them to think critically. Cengage Learning uniquely combines people, products, and personalized services to help you prepare students for success – in the classroom and in life.

EXPLORE THE Learning Solutions

Offer your students learning resources focused on engagement, taking students through the levels of application, analysis, and critical thinking with depth and context.

Cengage Learning’s Media Arts & Design CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the embedded, interactive eBook. Instructors can also track student engagement and performance.

With Cengage Learning’s Online Instructor Resources to accompany many of our books, preparing for class and evaluating students has never been easier!

Instructors using CourseMate saw an 11% increase in homework submissions and a 14% decrease in low passes, fails, and incompletes.

CourseMate brings concepts to life with web-based learning, study, and exam preparation tools that support your Cengage Learning textbook. Watch comprehension soar as CourseMate goes beyond the book to deliver what learners need!

WHAT WILL YOU FIND?

- The Engagement Tracker, which checks the progress of your students, identifies those at risk, and uncovers concepts that are challenging for your class.
- An integrated eBook that allows students to take notes, highlight, search, and access book-specific embedded media.
- A Student Learning Pathway, customized to your adopted textbook, that integrates digital media.
- Engaging quizzes, flashcards, and videos to further drive interest.

MindTap is a personalized teaching experience with relevant assignments that guide students to analyze, apply, and improve thinking, allowing you to measure skills and outcomes with ease.

Elevate Thinking
Relevant readings, multimedia, and activities are designed to take students up the levels of learning, from basic knowledge to analysis and application.

Promote Better Outcomes
Analytics and reports provide a snapshot of class progress, time in course, engagement and completion rates.

Easily Set Your Course
Personalized teaching becomes yours through a Learning Path built with key student objectives and your syllabus in mind. Control what students see and when they see it.

“We have seen an increase of at least one letter grade when we compare the performance of students who used MindTap with those who didn’t.” — Scott Domowicz, Erie Institute of Technology
