**Powerful programs, both print and dynamically online,
inspire student connections, explorations, and achievement.**

CENGAGE | MINDTAP

MindTap is the online solution for CTE courses, including: a full, interactive eBook, annotation and study tools, video and simulations, certification prep, auto-graded assessment, data analytics, and more.

learninglab MindTap Learning Labs

Allow students to practice the most difficult concepts associated with their textbooks in a simulated, real-world environment. Developed to improve program quality and retention, Learning Labs prepare students for their health careers by increasing comprehension, critical thinking, and soft skills.

Many of our titles are official HOSA recommended resources for competitions.

MindTap Medical Coding Trainer

Medical Coding Trainer is an application in Cengage's Medical Coding MindTap that provides coding practice with real-world patient records.

MindTap Med Term Pronunciation App

The MindTap Pronunciation App allows students to record and receive instant feedback on their ability to pronounce key medical terms.

MindTap IQ App

IQ allows instructors to create custom certification practice exams based on specific competencies so students will feel confident that they will pass the exam and be one step closer to a future career.

MindTap MOSS 3.0

MOSS 3.0 MindTap is designed to give students the skills they need to work with Practice Management (PM) and Electronic Medical Record (EMR) software in today's busy medical offices.
