

Every Student Succeeds Act **ESSA**

Navigate Your Way with
National Geographic Learning

What's Coming with the Every Student Succeeds Act?

- » Focus on Effective Use of Technology
- » Greater Emphasis on English Language Learners
- » Student Support and Academic Enrichment Block Grants (SSAE)

Visit NGL.Cengage.com/ESSA

Learn more about the National Geographic Learning programs that can help you meet your ESSA funding opportunities.

Effective Use of Technology

Up to 60% of SSAE funds may be spent on supporting effective use of technology. National Geographic Learning's Computer Science titles and innovative digital learning platforms can enhance technology across your curriculum.

myNGconnect.com

myNGConnect.com provides access to a variety of technology tools specifically designed to enhance teaching and learning for students and teachers.

- Student and Teacher eEdition
- Digital Libraries and Galleries
- Online Lesson Planner
- Interactive Student Activities
- Classroom Presentation Tool
- National Geographic Explorer Exclusive Videos

MindTap with **sam**

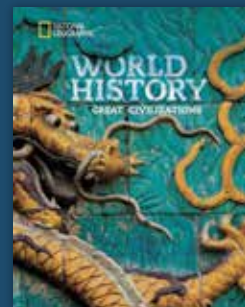

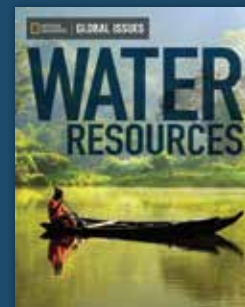

All-in-one platform to help students master Microsoft® Office skills and computer concepts.

- **CONTENT**—Embedded, interactive ebook for instruction and remediation
- **SAM TRAININGS**—Self-guided, interactive practice
- **SAM PROJECTS**—Real-world, auto-graded, project-based assessment
- **SAM EXAMS**—Comprehensive assessment

SAM (Skills Assessment Manager) is a web-based application that measures student proficiency in Microsoft® Office software and technology-related topics.

What's Coming with the Every Student Succeeds Act?

- » Focus on Effective Use of Technology
- » Greater Emphasis on English Language Learners
- » Student Support and Academic Enrichment Block Grants (SSAE)

Under Title III, Greater Emphasis on English Language Learners

- States must adopt ELP Standards that align with academic standards
- States must show progress in ELL proficiency
- Intervention strategies must be evidence-based and show statistically-significant effects on student outcomes
- Funding available for pilots and Professional Development

Under Title IV, Student Support and Academic Enrichment Block Grants (SSAE) provide funding for:

- Well-rounded curricula
- Safe and healthy schools
- Effective use of technology

Eligible subjects include:

Social Studies

Grades 6–8

Our brand new middle school program, *U.S. History: American Stories*, includes a fully interactive digital component.

Grades 9–12

National Geographic Learning offers numerous top-selling titles in US History, including the newly updated *The American Pageant* from Kennedy, and *Civics and Government*, including *The Challenge of Democracy* and *American Government and Politics Today*.

World Languages & the Arts

Grades 6–8

Check out our brand new Spanish program *¡Exploremos!* at NGL.Cengage.com. *¡Exploremos!* takes advantage of National Geographic's uniquely compelling photography and video to create an engaging and accessible 6-level Spanish program.

Grades 9–12

AP® and Honors world language offerings include Spanish, French, Italian, German, Japanese, and Chinese.

STEM (Science, Technology, Engineering, Mathematics)

Grades K–8

Teaching STEM concepts in early grades provides the foundation for science success later. Explore how National Geographic Science and Exploring Science programs unlock your elementary students' STEM potential.

Grades 9–12

Well known titles from South-Western, Delmar, and Course Technology prepare students for advanced study in STEM disciplines while teaching the skills necessary for valuable careers in STEM fields.

Environmental Education

Grades 9–12

Our brand new high school environmental science program, *Environmental Science: Sustaining Your World*, coupled with our AP® and elective offerings in environmental science, provide a well-rounded environmental education solution.
