Find your voice in English

Powerful ideas from TED Talks motivate learners to find their voice in English at each level of fluency.

Viewing support and practice activities on the app support language learning at four levels.

Find your voice in English

Learn English with TED Talks is a supplemental resource for students enrolled in English language learning programs. This video-based language learning app helps learners understand and discuss powerful ideas from TED Talks.

With easy-to-use classroom resources, *Learn English with TED Talks* supports any English language curriculum and inspires learners to find their own voice in English.

Teaching resources including lesson plans and a Classroom Presentation Tool make it easy to use TED Talks in the classroom.
