

South Carolina Reviewer Online Access Instructions

Demo.Bigideasmath.com

Dear Reviewers,

Thank you for reviewing the *Big Ideas Math: South Carolina Edition*.

To access the *Big Ideas Math* online learning platform, please visit *demo.bigideasmath.com* and follow the instructions below.

Self-Registration Instructions

1. Visit *demo.bigideasmath.com*.
2. Click *New to Big Ideas Math?*
3. Enter the access code below and click *Next*.
4. Fill out the required information and click *Next*.

Access code: 4STZ-3ZMD-K8XM

Classes are not required to view the Course Resources, but they are to populate the *Featured Resources*. You may create classes and populate them with demo students to further interact with the *Assignments* and *Reports*. To create classes and add students, please follow the instructions below.

Class Creation Instructions

1. Login at *demo.bigideasmath.com*.
2. Click your name in the top-right corner of the site and click *Class Management*.
3. Click *Add Class*.
4. Fill out the required information and click *Save*.

Adding Demo Students Instructions

1. Click your name in the top-right corner of the site and click *Class Management*.
2. Choose a class and select *View*. Copy the access code.
3. Log out and return to the login page at *demo.bigideasmath.com*.
4. Click *New to Big Ideas Math?*
5. Enter the access code and click *Next*.
6. Fill out the required information for the demo student and click *Next*.
7. Write down the system-generated username and click *Next*.
8. Repeat steps 3-7 for each demo student in the class.

Accessing Resources

You can access the Pupil Edition and Teaching Edition PDFs at *demo.bigideasmath.com*. Login and click the *Resources* tab at the top of the site if you are not already there. If you do not have any classes set up (instructions above), you can locate the materials under *Course Resources* by choosing your program (South Carolina), book, chapter, and section. Pupil Edition and Teaching

Edition PDFs are available at the book level (front and end matter), the chapter level, and the section level. If you do have classes, you can click on *Student Dynamic eBook* under the *Featured Resources*. You can also access the teacher presentation tool, the Dynamic Classroom, in either resource section.
