

Worksheet 9: A mission statement

1 In a mission statement, a company sets out its aims and its values. Think of a company that you know well. Which of these values are important to the company, and why?

- | | |
|--------------------------------------|--------------------------|
| 1 personal engagement with customers | 7 team spirit |
| 2 creativity | 8 innovation |
| 3 sustainability | 9 shareholder commitment |
| 4 entrepreneurial skills | 10 integrity |
| 5 quality | 11 growth |
| 6 value for money | |

2 Read the mission statement for Orbit Energy. Match the headings from Exercise 1 to sections 1–6 of the mission statement.

3 Notice that the mission statement uses *we* and *our* and simple, concise sentences. It also uses strong verbs. Find seven strong verbs in bold in the mission statement that have a similar meaning to these verbs.

rely	promote	achieve	vow	strive	intend	integrate
------	---------	---------	-----	--------	--------	-----------

4 Choose the correct definition for these words taken from the mission statement.

- | | | |
|-------------------------|----------------------------|--|
| 1 know-how | a practical knowledge | b academic knowledge |
| 2 cutting-edge | a new and innovative | b traditional and well-known |
| 3 tailor-made | a designed for general use | b designed for specific use |
| 4 environmentally sound | a good for the environment | b neither good nor bad for the environment |
| 5 top-shelf | a of average quality | b of superior quality |

5 Write a mission statement for one of these companies. Alternatively, write a mission statement for a company that you know well.
